Dermalogica Treatments

dermalogica®

When Dermalogica meets skin, skin health is redefined. Our promise to you is that your skin will never have felt as clean, or as healthy, as after one of our professional services; nor will you leave our Skin Bar without truly understanding your skin, and its needs. Our therapists are among the best trained in the industry, and each has postgraduate certification from The International Dermal Institute.

What does that mean for your skin?

Quite simply: Real Treatments. Real Answers.
Real Products. Real Results!

Caci Ultra

Caci, the Non Surgical Face Lift Treatment and Caci Future-Tec Skin Regenerator.

Caci treatment is the result of over 20 years medical research and is both relaxing and painless. Caci will tone, lift and re-educate the muscles back to their original position. Lines and wrinkles are softened and refined whilst sagging muscles are tightened and lifted. For maximum results a course of ten treatments are recommended followed by monthly maintenance treatments.

New Caci Jowl Lift Treatments

The Caci Jowl Lift Facial has been developed to specifically target muscle laxity around the jawline. For best results a course of 10 is recommended over 5 weeks, follow by a monthly maintenance treatment.

Single Facial Treatment	20 min	£25.00
Course of 10 Treatments*	20 min	£250.00

Caci Non-Surgical Treatments

Caci helps to tighten and tone sagging muscles by re-educating the muscles for lifting and re-contouring the face.

Single Facial Treatment	60 min	£47.50
Course of 10 Treatments*	60 min	£475.00

Caci Future-Tec Skin Regenerator Treatments

This specialised treatment uses laser, micro current and ultrasound to target deep frown lines, nose to mouth lines and harsh wrinkles. This unique technique is a non invasive alternative to collagen injection. It is also designed to encourage rapid healing and skin rejuvenation and so acts as a decongestant to problem skins.

Single Facial Treatment	30 min	£36.75
Course of 10 Treatments*	30 min	£367.50

Caci Duluxe Treatment

Combines the powerful action of Caci non surgical and Future-Tec treatments.

(Includes an anti-ageing face and neck mask).

Single Facial Treatment	90 min	£78.75
Course of 10 Treatments*	90 min	£787.50

Caci Eye Treatments

This treatment concentrates on working round the eyes, helping to reduce fine lines, deep wrinkles and crows feet. (Includes eye mask).

Single Treatment	30 min	£36.75
Course of 10 Treatments*	30 min	£367.50

Caci Hand Treatment

Perfect for older or housework hands this treatment improves crepey skin and reduces the appearance of pigmentation patches and sun damage.

Single Treatment	30 min	£36.75
Course of 10 Treatments*	30 min	£367.50

Caci ECM Cellulite Treatment

The perfect solution for those seeking a reduction in cellulite and toning of the thighs and buttocks, all within the one treatment. The ECM roller is gently massaged over the legs and buttocks, soothing heavy and tired limbs, stimulating the circulation, aiding elimination of toxins, reducing water retention, toning the thighs and lifting and firming the buttocks.

Result: legs and buttocks are toned, dimples reduced and the skin is left smooth and glowing.

Although some difference is seen after the first treatment, for maximum results a course of 10 – 15 treatments are needed.

Single Treatment	30 min	£30.00
Course of 10 Treatments*	30 min	£300.00

*When you buy a course of ten treatments you receive two free maintenance treatments.

Dermalogica Facials

The Dermalogica Skin Treatment

Say goodbye to cookie-cutter treatments! The Dermalogica Skin Treatment is 100% customised to your skin need's based on consultation and a thorough, zone-by-zone Face Mapping skin analysis, making it one treatment... that's different every time! New Dermalogica Active Resurface Facial 45

Single Facial	45 min	£55.00
Course of 6 Facials	45 min	£330.00

An advanced 45minute resurfacing treatment that utilises a cocktail of the most advanced cosmeceutical ingredients available. It is completely customised to the individual needs of your skin, providing intense resurfacing to stimulate cell renewal and cell turnover while helping treat the following concerns: Premature ageing/sun damage/fine lines, Pigmentation/uneven skin tone Dehydration, Congestion, Dryness/flakiness.

A unique benefit of this treatment is the lack of inflammation, tissue damage and peeling generally associated with intense resurfacing treatments. As a result an interval of only one week is all that is necessary between appointments. A course of six treatments over six weeks is recommended for maximum results. A course will include a FREE hydro-plus treatment to maximise your skin hydration. (No facial massage in this facial treatment).

Ultimate Dermalogica Facial 80 min £75.00

This treatment is designed for total relaxation. It starts with a warm oil back massage which is followed by skin analysis face mapping so that the facial is then customised to your skin need. While your masque is on you can choose to have an Age Smart multivitamin hand treatment or a foot massage.

Hydro Plus Facial 60 min £60.00

This advanced skin treatment focuses on hydrating the skin and stabilising your skin's barrier function to soothe and calm. This treatment is ideal for when your skin is feeling irritated, sore, dry or is in desperate need of nourishment.

AGE Smart Facial 60 min £60.00

Are the signs of ageing more prevalent on your skin? AGE Smart will give it a revitalising power boost to firm, smooth, nourish, regenerate and energise while controlling the biochemical triggers that lead to skin ageing.

UltraCalming Facial 60 min £48.00

The Dermalogica UltraCalming products are serious relief for sensitised skin that calms, soothes and replenishes the most aggravated, irritated, inflamed skin.

MediBac Clearing Facial 60 min £48.00

It's the end of the line for adult acne with this powerful line of products that will jump-start acne clearing and help prevent acne well beyond the treatment.

Powerbright Facial 60 min £60.00

This highly potent specialised skin treatment accelerates skin brightening, improves texture and balances skin tone while regulating over active pigment cells. Our unique combination of advanced exfoliation penetration technology and active peptide ingredients work to treat and control hyperpigmentation at its core. The result? Clearer, smoother, brighter and more evenly skin tone.
